

STOP REGISTRATION

(Mandatory Advising)

You must see your advisor AND your advisor must release you to register. If you are unaware of the name of your advisor, select My Grades, Midterms or Final Grades, and your advisor will be listed to the right of your Degree Program and under your address.

If you are attempting to register (during the appropriate registration time for your level) and this message appears, your advisor has not released your record for registration. Please contact your advisor.

The screenshot displays the Student Portal interface. At the top left is the logo for The Petroleum Institute, with the Arabic text 'المعهد البترولي' and the English text 'The Petroleum Institute'. At the top right is the 'STUDENT PORTAL' logo by Three Rivers Systems, Inc. Below the header is a blue navigation bar with the date 'Monday, April 11, 2011'. The main content area is divided into two columns. The left column contains a sidebar menu with sections: 'Test Test' (Current term: Spring 2011), 'Student Portal' (Home, Calendar, Document Tracking, Job Search), 'Administrative Services' (Course Offering, Degree Audit Options, Registration, My Transcript, My Schedule, My Ledger, My Financial Aid, My Grades, My Housing), and 'Course Management' (My Courses). The right column is titled 'Registration Alerts' and contains a red-bordered alert box with the text: 'Your Advisor **Faculty Name** has prevented your registration until you see him/her for advising. Please contact your Advisor.'
